This statement relates to ARPRO produced in Europe, Middle East and Africa. Specific standards are required of our suppliers and ourselves, but no post-production testing is undertaken.

* Migration tests are only valid when tested on the final article.

** Whilst the majority of grades are suitable for food contact, the specific grades are detailed herein. The Declaration of Compliance document is available upon request. Refer to us in case a conformity to specific national legislation would be required. Migration tests are only valid when tested on the final article.
